

Willerby <Undefined> New Hampton (Free site fees for 2013 season) |

Quality features, modern design and great value set the new hampton apart from all others in its class. Featuring new interior décor, the lounge has a totally different appeal for 2013. At its centre, a large stone effect fireplace and hearth act as a true focal point and are complemented by the soft tones of the overall colour scheme. The chaise longue* feature instantly captures the imagination as it's easy to picture yourself reclining in comfort with a good book ? a great start to any holiday! Whether you select the addition of an Outlook front door or opt for the standard apex feature windows, both allow for enhanced enjoyment of panoramic vistas from the lounge. The practical kitchen features a range of storage options all presented with a quality finish, with gloss doors, granite style worktops and an integrated full-size fridge-freezer. Enhanced by sophisticated mood lighting and the inclusion of co-ordinated curtains and plush headboards, the bedrooms ensure that perfect relaxation is never too far away. A shower enclosure with inlaid ceramic tile detailing sets the tone for a beautifully designed family shower room. With model sizes available to suit all requirements, the New Hampton range is perfect for both families who need large living spaces and couples seeking a comfortable retreat for weekend getaways
