

Aston Martin Vanquish V12 [595] S Ultimate 2+0 2Dr Touchtronic Auto | Apr 2018

ONE OF 175 WORLDWIDE

£142,999

Aston Martin Belfast are delighted to offer for sale, this 2018 registered Aston Martin Vanquish Ultimate Coupe. Finished in White Gold this highly collectable edition was the final hurrah to the Vanquish model, the flagship within the Aston Martin range at the time. The model features the most powerful naturally aspirated 6.0-litre V12 to go into a standard production Aston Martin, producing 603Ps. There were straight pipes fitted as standard which gave the model an unbelievably raw sound on start up, and under load. The carbon fibre body sits upon a carbon fibre and aluminium frame and there were bodywork tweaks such as the lightweight forged alloy wheels which combined with the carbon ceramic matrix brakes helped to reduce the unsprung mass of the car, improving the already impressive handling. A new front splitter and rear diffuser completed the look, with the front splitter canards giving an additional 60kg of downforce over the front axle. For dynamic improvements, the model has new damper internals, spring rates and anti-roll bar bushes. For the final touched an exclusive copper tan graphic has been painted into the exposed carbon fibre and the quality of the workmanship inside whether it be the Aston Martin wings embroidery of the unique Ultimate stitch. . For more details or a personalised video please contact us directly and we will be delighted to help

Vehicle Features

6.5" colour display screen, 13 speakers, ABS + EBD + EBA, Adaptive damping system, Bang + Olufsen beosound audio, Bi-Xenon headlights, Bluetooth connectivity including audio streaming, Bluetooth Telephone preparation, Body colour
