Bavaria <Undefined> C45 | 2023

Perfect sailing performance. When we designed the BAVARIA C45, we wanted to create a yacht which people would feel completely at home on – with features like the huge bathing platform, big cockpit and bright saloon – and also a yacht of the utmost flexibility. There are two versions available: ‘Holiday’ and ‘Style’. Furthermore, this is the only yacht in its class available in a five-cabin version as well as three and four cabins, and which has a dinghy garage for a tender. The new BAVARIA C45 is an absolute all-rounder

Vehicle Features

Length: 46'; Hull Material: Fiberglass; Engine/Fuel Type:
