**New Yamaha TTR-50E Kids Fun Bike (24MY)**

The quiet-running and reliable 50cc 4-stroke engine is started by the push of a button, and there's a 3-speed transmission and automatic clutch for added simplicity. The low seat gives smaller riders added confidence, and the TT-R50's low weight and compact dimensions make it easy to handle and simple to transport.

The good-looking Icon Blue bodywork is inspired by Yamaha's famous GP-winning motocross bikes, and with its comfortable ergonomics, long-travel suspension and knobby tyres, the TT-R50 is ready to provide many hours of family fun for many years to come.
