SORRY ITS NOW SOLD!!

The Lotus story continues with a new icon: Emira. A car that doesn't just turn heads but turns conventional thinking on its head, with its exotic supercar looks, everyday usability and enhanced comfort combined with class leading Lotus driving dynamics.

The recently launched Lotus Emira is still a very rare beast on the NI roads. This Emira gives you the unique opportunity to beat the wait list and avoid the recent price increase.

Black Gloss ultra lightweight v spoke forged alloy wheels with Goodyear Eagle F1 supersport tyres.

Sport chassis and 6 speed manual - surely the best option for a Lotus.

Scorpion Tracker for that bit of extra security.

It has recently had a full ceramic coating - so this Emira is truly proper in every way.
