Ribcraft <Undefined> 11.0 | 2024

The RIBCRAFT 11.0 delivers the ultimate offshore response. By combining RIBCRAFT's signature deep V hull and bow sheer with an extended waterline and generous beam this model makes easy work of virtually any sea condition. Designed for extended passages and operations requiring large payload capacities, the 11.0 offers incredible design flexibility. From a simple center console for optimal work space to multiple seating arrangements for crew and passenger transport to cabin arrangements for all weather protection or overnight accommodations, this flagship model answers the needs of virtually any application. Depending on speed and load requirements, the 11.0 offers the choice of twin or triple outboards or twin diesel sterndrives or jets
