Ribcraft <Undefined> 7.8 | 2024

The 7.8 proves herself time and time again to the most demanding users around the world by providing operator and passengers RIBCRAFT's signature stable, dry ride even in the roughest offshore conditions. Designed as a fast response craft, this 25' RIB with its long steep sheer toward the bow and impressive deep V hull offers unparalleled rough water performance and safety. Powered by single or twin outboards, with the 7.8 you never have to wait for a calm day to get out on the water
