## **Ribcraft <Undefined> 6.8 | 2024**

Designed with all weather performance in mind, the RIBCRAFT 6.8 provides unmatched handling in steep chop, large rollers, and breaking seas. The 6.8's offshore hull design makes it ideal for applications requiring speed and maneuverability regardless of the conditions. With an overall length of just under 23' and a generous beam, the 6.8 supports single or twin engine configurations up to 230HP. Providing increased capacity, the 6.8 is an excellent offshore boat for rescue applications and patrol work

### **Vehicle Features**

Length: 22'; Hull Material: Fiberglass; Engine/Fuel Type:
