Ribcraft 4.8 Coach | 2024

The RIBCRAFT 4.8 Coach delivers professional grade performance, reliability and durability that have become synonymous with the RIBCRAFT line of RIBs. The commercial grade construction combined with functional simplicity make the 4.8 Coach the ideal safety for sailing programs and yacht clubs. A proven RIB designed and built for the sailing community, the 4.8 Coach offers a forward position console for improved visibility, open deck for marks, sailors and gear and a deep V hull for unmatched performance while underway. RIBCRAFT has worked with coaches and programs to develop the only boat designed specifically for coaching
