The Range Rover Velar is a supremely stylish SUV. Its slippery shape and stunning interior make it ultra desirable, but it's the first Range Rover to heavily prioritise form over function. Up against it's rivals in this sector the Velar stands out in both looks, desirability and practicality and warrants a special mention in not just its ability to handle off road terrain but ride fantastically well on B roads as well. Fusco Vehicle Sales - North Down's largest used car dealership. Over 200 cars & commercial vehicles between £3000 - £50,000 on site.
