

Toyota Yaris 1.5 Hybrid Design 5dr CVT | Dec 2020

REVERSE CAMERA - LED LIGHTS - FTSH - LONG WARRANTY!

£15,595

This December 2020 registered Yaris 1.5 Hybrid is a one owner car finished in 'Pure White' and has covered just 22k miles, supported by a Toyota main dealer service history.

These cars come with an impressive 5 year/100,000 mile warranty, which is extendable up to 10 years if the car is serviced annually by a Toyota main dealership! The most recent service was carried out on 6th March 2024.

This Yaris is in excellent condition throughout and being the 'Design' model, comes with some great factory extras including LED headlights, 16" Machined alloy wheels, Auto Climate Control, Automatic Lights, Automatic Wipers, Bluetooth, Cruise Control, DAB, Apple Carplay/Android auto and Reversing camera. The bodywork is excellent, with no dents or scrapes to note.

The intelligent Hybrid system uses both the 1.5 3 cylinder petrol engine and electric motor, which are mated to a CVT gearbox. Toyota has this combination well honed and it offers an incredibly smooth and quiet drive with nippy acceleration and amazing fuel economy (we have seen over 70 mpg out of this car). The battery for the electric motor requires no external charging source.

This Yaris comes with full book pack, 2 keys and tyre repair kit.

Road tax is just £170 for the year.
