

Skoda Octavia 2.0 TSI 245 vRS Challenge 5dr DSG | Oct 2019

AUTOMATIC, SPORTS SEATS

£13,990

The Skoda Octavia is one of the best family cars around. Spacious, reliable, well built and good to drive, it also comes with a great range of engines. But the Skoda's biggest strength is its value for money - it's priced competitively against the likes of the Ford Focus and Volkswagen Golf but feels more premium and is able to offer more interior space and impressive levels of standard equipment with all cars getting climate control and electric windows. In our view the Estate is the pick of the bunch for practicality and value. Fusco Vehicle Sales - North Down's largest used car dealership.
