

Jeep Cherokee 2.0 Multijet Limited 5Dr [2Wd]  
| Jul 2017

COMFORT, STYLE, VERSATILITY

The 2017 Jeep Cherokee 2.0 Multijet Limited 5dr [2WD] is a midsize SUV that offers a blend of off-road capability, comfort, and versatility. Here's an overview of its key features: Engine: Powered by a 2.0-liter Multijet diesel engine, which is known for its efficiency and torque. It delivers solid performance while offering good fuel economy. Limited Trim: The Limited trim typically represents one of the higher-end configurations in the Cherokee lineup. It usually includes premium features such as leather upholstery, heated front seats, dual-zone climate control, a touchscreen infotainment system, and advanced safety features. 5-Door Configuration: With five doors, including a rear liftgate, the Cherokee provides easy access to both the passenger cabin and the cargo area. This configuration enhances convenience, especially for families or those frequently loading and unloading cargo. 2WD (Two-Wheel Drive): While Jeep is renowned for its off-road capabilities, the 2WD variant of the Cherokee is designed primarily for on-road use. It offers improved fuel efficiency and lower maintenance costs compared to four-wheel-drive versions. However, it may not be as capable in challenging off-road conditions. Interior Space: The Cherokee typically offers a comfortable and spacious interior, with ample legroom and headroom for both front and rear passengers. The rear seats may also have a split-folding feature to expand cargo space when needed. , smartphone integration (Apple CarPlay and Android Auto), navigation, and possibly a premium audio system. Safety Features: Jeep prioritizes safety, and the Cherokee is likely equipped with a range of safety features, including multiple airbags, stability control, traction control, anti-lock brakes (ABS), blind-spot monitoring, rear cross-traffic alert, and possibly adaptive cruise control and lane-keeping assist.
