2021 Polestar 2 Dual Motor 78kWh Long Range Plus Pilot Fastback, 5 door hatchback, 300kW motor (408bhp), 78kW battery, finished in metallic Black with matching dark grey vegan heated interior. This is the extended range dual motor 4WD model.

HPI clear, report with car. Ready to drive away today.

Has all the usual features, front and rear electric windows, power steering, remote DAB radio with USB input, Bluetooth telephone system, Android OS/Apple Carplay, SatNav, ABS, ESP, remote central locking, Isofix child seat anchor points, Adaptive cruise control, speed limiter, lane departure, climate control air conditioning, heated front and rear seats, LED Day time driving lights, auto headlights, front & rear reversing sensors with 360 cameras, alloy wheels, keyless start/entry, 3 pin household charge lead, etc, etc, etc.

The 78kWh battery will give approx range of 270 miles and instant power delivery makes taking the plunge into driving electric a no brainer. Can be charged at home or at many of the local charge points and if able to charge from home can be charged for less than a £8, along with next to no repair costs makes owning an electric vehicle common sense.

We ourselves have been driving EV's over the past 4 years, so we are in a position to answer any questions with regards to EV ownership.

All in all a super clean inside and out. Has to be seen to be appreciated.
