

## MINI Clubman 1.5 Cooper Classic 6dr | Feb 2021

### NAV PACK~ DIGITAL COCKPIT~ FSH

# £16,495

Some good ideas are here to last - like the idea British Leyland had back in 1969 when they realised we all love the Mini but we just needed it to be a little bigger for our shopping, luggage and our pets to travel in comfort with us and so the Mini Clubman was born. It remained in production until 1982 and was then reintroduced in 2015 by BMW the current owners and manufacturer of Mini today. Retaining all fun of the Mini hatch to drive but giving the practicality of a bigger hatchback the Mini Clubman still brings style and iconic features with its "barn style" opening rear doors and the classic dashboard layout which of course nowadays hosts LCD screens rather than dials. This amazing looking car is finished in Pepper white with the addition of gloss black roof and mirrors and factory upgraded gloss black 17 inch alloys. Inside its has the revised dash with a digital cockpit, a large centralised screen to display the navigation system, media connections, Bluetooth and DAB radio and its equipped with air conditioning, cruise control, auto lights and wipers. Just one previous owner from new and complete with a full Mini dealer service history - scarce to find and offered here at our superb value for money price.

All vehicles supplied with our comprehensive warranty.  
Competitive finance options available. Part exchange welcome.
