The 2020 Renault Captur 1.0 TCe 100 Iconic 5dr offers several attractive selling features that contribute to its popularity in the compact SUV market: **Efficient Turbocharged Engine:** The 1.0 TCe engine provides a good balance of power and fuel efficiency, making it an economical choice for daily driving. Its turbocharged design ensures responsive performance without compromising on fuel economy. **Iconic Trim Level:** This trim level typically represents a mid-range option in the Captur lineup, offering a blend of style, comfort, and advanced features. It may include upgraded interior materials, enhanced exterior styling elements, and additional technology compared to lower trim levels. **Spacious and Versatile Interior:** The Captur's interior is designed to offer ample space for both passengers and cargo. The five-door configuration and versatile seating layout ensure easy access to the rear seats and flexible cargo storage options. Additionally, the rear seats can be folded down to create even more cargo space when needed. **Advanced Infotainment System:** The Captur is equipped with Renault's latest infotainment system, featuring a touchscreen display with intuitive controls. It may include smartphone integration, navigation functionality, and other convenience features to enhance the driving experience. **Safety Features:** Renault prioritizes safety in its vehicles, and the Captur is equipped with a variety of safety features to protect occupants. These may include multiple airbags, stability control systems, lane departure warning, automatic emergency braking, and optional advanced driver assistance systems. Overall, the 2020 Renault Captur 1.0 TCe 100 Iconic 5dr combines efficiency, advanced technology features, practicality, safety, and stylish design, making it a
