The 2019 Renault Kadjar 1.3 TCe Iconic 5dr offers several compelling selling features that make it an attractive choice in the compact SUV market: **Powerful and Efficient Engine:** The 1.3 TCe engine delivers a balance of power and efficiency, providing strong performance while still maintaining good fuel economy. Its turbocharged design ensures responsive acceleration, making it suitable for various driving conditions. **Iconic Trim Level:** This trim level typically represents a mid-range option in the Kadjar lineup, offering a blend of style, comfort, and advanced features. It may include upgraded interior materials, enhanced exterior styling elements, and additional technology compared to lower trim levels. **Spacious Interior:** The Kadjar's interior is designed to provide ample space for both passengers and cargo. With comfortable seating for five occupants and generous legroom, it offers a pleasant driving experience for long journeys. The rear seats can also be folded down to create more cargo space when needed. **Advanced Infotainment System:** The Kadjar is equipped with Renault's latest infotainment system, featuring a touchscreen display with intuitive controls. It may include features such as smartphone integration, navigation functionality, and other entertainment options to enhance the driving experience. **Safety Technology:** Renault prioritizes safety, and the Kadjar is equipped with a range of safety features to protect occupants. This includes multiple airbags, stability control systems, lane departure warning, automatic emergency braking, and optional advanced driver assistance systems for added peace of mind. **Modern Design:** The 2019 Kadjar boasts a modern and stylish exterior design that stands out on the road. Its sleek lines, bold grille, and distinctive lighting signatures contribute to its visual appeal, while optional exterior styling
