charging that's faster and easier than ever, and innovative tools designed to help stretch your miles and your battery, there's never been a better time to go electric. Plus, driving a 100% electric car means the enjoyment starts the moment you press the accelerator, with the instant, smooth, full torque acceleration you only get with electric cars. That's the driving excitement delivered by Nissan. This Nissan LEAF is equipped with the latest Intelligent Driving technologies. The all-electric Nissan LEAF is the perfect expression of smart & sustainable Nissan Intelligent Mobility, helping you to feel more connected, more confident, and more in control. With sharp, aerodynamic lines, a distinctive floating roof and the signature V-Motion grille, Nissan LEAF looks as advanced as the technology behind it. Be bold. Be adventurous. Be captivated
