MASSIVE SPEC - FSH!

£27,795

This high spec XC60 D5 is finished in 'Silver Dawn Metallic' with optional 'soft Nappa' charcoal leather interior. In addition to an amazing standard spec on this model, this car also has heated/cooled/memory front seats with massage function, Xenium Pack (panoramic glass sunroof, 360 degree parking cameras and an automated parking system), Intellisafe Pro Pack (adaptive cruise control with pilot assist that keeps you in lane), distance alert, Smartphone Integration including Apple CarPlay and Android Auto and Dark Tinted Windows in rear.

The 2L 4 cylinder twin turbo diesel engine produces a very healthy 231 BHP and is matched to an 8 speed automatic gearbox and Volvos all wheel drive system. Coupled with the active four-c chassis system (adaptive air suspension with adjustable ride height) this XC60 offers incredible comfort, performance and luxury for a mid sized SUV - certainly the best we have driven.

This XC60 is in superb condition inside and out, and the 20 inch 8 spoke alloy wheels are also in excellent condition. This car has had the same owner for the past 4 years, with a very genuine reason for changing. It has covered just 50k miles and benefits from a full service history - first 4 stamps Volvo main dealership and we have just had the fifth service carried out using Volvo parts.

It comes with 2 keys, full book pack with stamped service book, and factory optioned Spare Wheel with Jack.

The current MOT is valid until April 2025. A 6 month extendable
