

Jeep Grand Cherokee 2.0 Turbo 4Xe Phev Summit Reserve 5Dr Auto | NEW

NEW IN STOCK

£73,999

Introducing the pinnacle of luxury and performance: the Jeep Grand Cherokee Summit Reserve PHEV. Elevating the standard of excellence in the SUV market, this vehicle seamlessly combines the iconic Jeep off-road capability with cutting-edge hybrid technology and unmatched comfort. Unrivaled Power and Efficiency: Under the hood lies a potent yet efficient powertrain, merging the robust performance of a gasoline engine with the eco-conscious advantages of plug-in hybrid electric technology. Experience the thrill of commanding 4x4 power, coupled with the peace of mind that comes from reduced emissions and enhanced fuel economy. Sumptuous Design and Craftsmanship: Step into luxury with the Summit Reserve's meticulously crafted interior. Premium quilted leather seating, handcrafted wood accents, and ambient lighting create an ambiance of opulence and refinement. Every detail is meticulously designed to provide unparalleled comfort and sophistication for both driver and passengers. State-of-the-Art Technology: Stay connected and entertained on every journey with an array of cutting-edge technology features. The intuitive infotainment system boasts a large touchscreen display with smartphone integration, navigation, and premium audio options. Advanced driver-assistance systems ensure safety and confidence on the road, while features like adaptive cruise control and lane-keeping assist enhance the driving experience. Legendary Capability: True to its Jeep heritage, the Grand Cherokee Summit Reserve PHEV is equipped to tackle any terrain with confidence. Whether navigating city streets or exploring rugged trails, legendary 4x4 capability and advanced terrain management systems ensure unparalleled performance and control in any driving conditions.
