

Ford Kuga 1.5 Tdci Zetec 5Dr 2Wd | Aug 2017
GREAT SIZE FAMILY SUV**£9,399**

The 2019 Ford Kuga 1.5 TDCi Zetec 5dr 2WD is a mid-sized SUV that combines practicality, comfort, and efficiency. Here's a detailed description of its key features: Exterior: The Ford Kuga boasts a contemporary and dynamic exterior design, with sleek lines and a bold front grille showcasing the brand's signature styling cues. As a five-door SUV, it offers easy access to both front and rear passenger compartments, making it suitable for families and those with an active lifestyle. The Zetec trim level brings a blend of style and affordability, featuring alloy wheels, body-colored door handles and mirrors, and daytime running lights for enhanced visibility. Interior: Inside, the Kuga offers a spacious and comfortable cabin with seating for five occupants. High-quality materials and thoughtful design elements create a refined and inviting interior environment. The Zetec trim may include features such as cloth upholstery, manual air conditioning, and a multifunction steering wheel with audio and phone controls. Ample cargo space further enhances the Kuga's versatility, making it suitable for carrying both passengers and luggage on long journeys or weekend getaways. Performance: Powering the Kuga 1.5 TDCi is a turbocharged 1.5-liter diesel engine, known for its combination of performance and fuel efficiency. The engine is paired with a manual transmission and front-wheel drive configuration, providing responsive acceleration and smooth gear changes. Ford's engineering expertise ensures that the Kuga delivers a comfortable and composed ride, with refined handling and precise steering. Advanced safety features, including traction control and electronic stability control, help maintain stability and confidence in various driving conditions. Technology and Convenience: The Zetec trim level offers a range of advanced technology features aimed at enhancing comfort and
