

MINI Clubman 1.5 Cooper Classic 6Dr | Mar 2021

FULL MINI HISTORY, NI REG

The 2021 Mini Clubman 1.5 Cooper is a stylish and compact car that offers a blend of retro aesthetics with modern features. Here's a detailed description: Exterior: The Mini Clubman maintains its iconic design with a distinctive boxy shape and retro-inspired details. It features a split rear door design, which adds practicality and enhances its unique appeal. LED headlights and taillights provide enhanced visibility and a contemporary look. The Clubman's compact size makes it ideal for urban driving and maneuvering through tight spaces. Interior: Despite its compact exterior dimensions, the interior of the Clubman is surprisingly spacious, offering seating for up to five passengers. High-quality materials and attention to detail give the cabin a premium feel. The Mini's signature circular theme is evident throughout the interior, from the round central display to the circular air vents. The Clubman comes equipped with modern tech features such as a touchscreen infotainment system, smartphone integration, and advanced driver assistance systems for safety and convenience. Performance: The 2021 Mini Clubman 1.5 Cooper is powered by a 1.5-liter three-cylinder turbocharged engine. This engine delivers a balance of performance and fuel efficiency, making it suitable for both city driving and highway cruising. The Clubman offers nimble handling and responsive steering, contributing to an engaging driving experience. With its compact size and efficient engine, the Clubman is an eco-friendly choice for drivers seeking a fun-to-drive vehicle with low emissions. Safety: The Mini Clubman is equipped with a range of safety features to protect occupants in case of an accident. Standard safety equipment includes multiple airbags, stability control, traction control, and anti-lock brakes. Advanced driver assistance systems such as automatic
