

Toyota Prius 1.8 VVTi Business Edition Plus 5dr CVT | 2021

£21,495

**SAT NAV - CRUISE & CLIMATE CONTROL - TOYOTA
WARRANTY**

The Toyota Prius 1.8 VVT-h 8.8 kWh Business Edition Plus CVT Euro 6 (s/s) 5dr is a plug-in hybrid car, designed for eco-conscious drivers and business users alike. Heres a breakdown of its key features:

Engine 1.8L VVT-h engine: This gasoline engine provides power to the wheels and generates electricity for the battery pack. VVT-h stands for Variable Valve Timing with intelligence, a system that optimizes engine performance and efficiency.

8.8 kWh battery: This lithium-ion battery allows the Prius to travel a certain distance solely on electric power, offering excellent fuel economy and reduced emissions in city driving.

Transmission CVT (Continuously Variable Transmission): This automatic transmission seamlessly adjusts gear ratios, optimizing power delivery and fuel efficiency.

Emissions Euro 6 compliant: This means the car meets strict European emission standards, making it clean and environmentally friendly.

Features (Business Edition Plus trim likely includes): Navigation system: A helpful tool for business trips, keeping you on track and saving time. Tow hitch: This allows you to tow a small trailer or bike rack, useful for work or leisure activities. Additional business-oriented features: Look out for extras that might include a premium sound system, a comfortable lumbar support for the drivers seat, or a built-in mobile hotspot for staying connected on the go. Other potential features (depending on model year): Automatic emergency braking with pedestrian detection Lane departure alert with steering control Blind spot monitoring Adaptive cruise control Heated seats Sunroof With its combination of efficiency, technology, and features tailored for business users, the Toyota Prius 1.8 VVT-h 8.8 kWh Business Edition Plus CVT Euro 6 (s/s) 5dr is a compelling option for eco-conscious professionals
