

Renault Captur 1.5 dCi 90 Dynamique S Nav 5dr | Oct 2017

SAT NAV, BLUETOOTH

£8,490

The Renault Captur is a small SUV that gives you a good view of the road ahead. Whichever engine you pick, you'll be impressed by the way the Renault Captur smooths out bumps. That, combined with the decent view all-round, makes it a stress-free city car. The comfortable suspension means it leans over when you're cornering quickly, but in normal day-to-day driving it's a quiet and comfy companion, and agile enough to dart through city traffic.
