

Mazda CX-3 2.0 Sport Nav 5dr AWD | Nov 2016

FSH - 1 OWNER - 4X4 - LEATHER

£11,995

This November 2016 registered Mazda CX-3 4x4 is finished in 'Soul Red' metallic with optional cream leather/charcoal suede interior. It has been very well looked after by one lady owner from new and has covered just 31,500 miles.

The 'Sport Nav' sits high up the range and offers features such as 'BOSE' sound system, cruise control, DAB, LED headlights, heated front seats, heads up display, reverse camera, rear sensors, keyless start, lane departure and navigation.

This car has never been in an accident, never been smoked in or carried pets - a very fresh example. The low mileage is supported by an extensive service history - it has been serviced every year, and all supporting invoices are present (6 main dealer services, 1 independent). The most recent service was carried out in November 2023 at 30,029 miles. This CX-3 has a 2L 16 valve 148 bhp petrol engine paired to 6 speed manual gearbox and it is the less common 4x4 variant, offering all wheel drive practicality. It is averaging around 40 mpg with great performance and road holding.

The 18 inch gunmetal alloys have just been professionally refurbished and four brand new 'Goodyear' tyres were fitted last April, which still have excellent tread remaining.

The current MOT is valid until 19th June 2024 and road tax is £210 for the year.

A 6 month extendable comprehensive Warranty policy with breakdown recovery is included in the price.
