£21,499 + VAT

this powerhouse of a vehicle seamlessly blends cutting-edge technology with unparalleled comfort and performance. Imagine cruising down the road with confidence, knowing that you're in command of a vehicle renowned for its reliability and durability. With its robust 3.5-ton capacity and high roof (H1), the Sprinter Premium Van ensures that no cargo is too large or too challenging to handle. Whether you're transporting goods, equipment, or even converting it into a mobile workspace, the Sprinter has you covered. Step inside, and you'll discover a world of sophistication and innovation. The interior is meticulously crafted with premium materials and ergonomic design, providing a workspace that feels more like a luxury office. With ample storage compartments, ergonomic seating, and customizable configurations, every journey becomes a pleasure. But it's not just about comfort; it's also about staying connected and in control. The Sprinter comes equipped with the latest Mercedes-Benz User Experience (MBUX) infotainment system, keeping you connected to your business and the world around you. From navigation and entertainment to hands-free calling and voice commands, everything is at your fingertips, allowing you to focus on what matters most - your business. Safety is paramount, and the Sprinter doesn't disappoint. With a comprehensive suite of advanced safety features, including adaptive cruise control, lane-keeping assist, and automatic emergency braking, you can drive with confidence, knowing that you and your cargo are protected at all times. In summary, the Mercedes-Benz Sprinter 3.5t H1 Premium Van is more than just a vehicle; it's a partner in your success. With its unmatched combination of performance, comfort, and technology, it's ready to take your business to the next level. Experience the future of
