This late 2020 registered 2L 45 TFSI Q5 petrol turbo 'S-Line' is finished in rare 'Moonlight Blue' metallic with leather Alcantara interior. It is a 1 owner car in excellent condition throughout, direct from VW finance. It has covered 33,000 genuine mile, supported by a full Audi main dealer history (serviced 3 times, most recently at 32,496 in Feb past!) and we have just fitted new brake pads all round. Notable standard equipment includes LED headlights, keyless start, power tailgate, sat nav, heated front seats, virtual cockpit, tinted rear windows, and electric/heated power fold mirrors. In addition to the standard specification, this example comes with welcome options of panoramic roof, comfort and sound pack (Heated front seats, Bang & Olufsen sound system, reversing camera, Parking System Plus with Park Assist), and technology pack (virtual cockpit, larger media screen, nav plus with mmi touch, wireless phone charging and Apple Carplay/android auto).

The 45 TFSI engine is superb, producing a very healthy 242 BHP, with no dpf, ad blue or clatter associated with its diesel counterpart. The 7 speed S Tronic gearbox combined with 'Quattro' all wheel drive system ensures effortless progress, in all conditions. This Q5 comes with all handbooks, copy service invoices, puncture repair pack and 2 keys.
