J26 car sales confirm the existence of commissions payable within our business (either a fixed fee or a fixed percentage of the amount you borrow). We receive commission, fees and financial remuneration for the services and products we provide and sell. We disclose the existence of commission and upon request, the amount of any commissions payable for transparency with our customers. We do this to ensure that the customer's decision to purchase one of our products or services is fully informed. The amount of commissions payable to any credit broker may materially influence the customer's decision to enter into the credit agreement or not. We provide commission disclosures before customers enter into any credit agreement so that our customers can rest assured that the product or service recommended to them is not based on the financial payment the broker stands to gain out of the agreement.
