

Toyota Yaris 1.5 Hybrid Design 5dr CVT | 2021

TOYOTA UK DEALER OF THE YEAR* RESERVE FOR £ 99

£16,940

The Toyota Yaris 1.5 VVT-h Design Hatchback is a subcompact car that combines efficiency, practicality, and affordability. Here's a detailed breakdown of its features:

Engine: 1.5-liter VVT-h: This engine combines a petrol engine with an electric motor for efficient hybrid performance. VVT-h stands for Variable Valve Timing with intelligence - a technology that optimizes engine performance and fuel efficiency.

Design: Hatchback: This design offers a good balance of passenger and cargo space, making it suitable for everyday driving and errands.

5 doors: Five doors provide easy access for passengers entering and exiting the vehicle.

Fuel Efficiency and Emissions: Petrol Hybrid: This Yaris uses a hybrid system that combines a petrol engine with an electric motor. The electric motor allows for fuel-efficient electric-only driving in certain conditions, while the petrol engine takes over when needed or when the battery is depleted.

E-CVT: This Yaris comes equipped with a smooth-shifting Electronic Continuously Variable Transmission (E-CVT) for a comfortable driving experience.

Euro 6 Emission Standard: This ensures the car meets strict regulations for clean and environmentally friendly operation.

Performance: 116 horsepower: The 1.5 VVT-h engine delivers 116 horsepower, providing adequate power for city and highway driving.

Overall, the Toyota Yaris 1.5 VVT-h Design Hatchback is a well-rounded and practical car that offers good fuel efficiency, spaciousness for its size, and a comfortable driving experience.

Vehicle Features

3 adjustable rear headrests, 3 point rear seatbelts x3, 3 spoke leather steering wheel, 4 speakers, 8" Multimedia display touch screen, 60/40 split folding rear seat, ABS+EBD+Brake assist, Acoustic windscreen glass, Active headrests, Adaptive cruise control, Adjustable speed limit with speed warning, Adjustable boot height, Alarm/immobiliser, Auto air conditioning, Auto High
