

Hyundai i10 1.0 Play 5dr | Jul 2019

FULL SERVICE HISTORY, BLUEOOTH

£7,990

The i10 is an excellent little car that maximises its compact dimensions and offers a reasonably-priced alternative to the competition. It's immensely practical and drives well, too. The i10's cabin has an impressively solid and hard-wearing feel, yet it delivers a decent amount of flair, too. Most of the plastics are nicely textured as well as being sturdy. The i10 is slightly bigger than most of its city car rivals, and as a result, it's a good bit roomier than most inside. There's sufficient head- and legroom in the back of the i10 to comfortably accommodate a brace of tall adults, and the seats are supportive and comfortable. What's more, the wide middle seat and flat floor mean that the i10 is better than most city cars at carrying three across the rear bench. Reasons to buy: practical – good reliability record – fun to drive. Fusco Vehicle Sales - North Down's largest used car dealership.
