My own van for the last 11 years Ive kept a service record from purchase. 6 seater with quick release rear seats. Excellent mechanically. Brilliant vehicle which has serviced our family well, selling due to down sizing as kids moving on. Timing belt and water pump done 125K. Well serviced, looks and drives well. Black genuine vw 16" alloy wheels.

Bodywork is sound, paint has chips and scratches all over as you'd expect on a vehicle this age, Touchup paint on the bigger chips but the color is not a great match.

Sought after versatile vehicle.
