

Ford Focus 1.0 EcoBoost 125 Active 5Dr | Oct 2019**£10,499****LOW RUNNING COSTS**

The Ford Focus 1.0 EcoBoost 125 Active 5dr is a specific variant of the Focus, a popular compact car produced by the American automaker Ford. Here's what each part of the name signifies: Ford Focus: This is the model name of the compact car, known for its dynamic driving characteristics, practicality, and technology features. 1.0 EcoBoost 125: This refers to the engine type and specifications. It features a 1.0-liter EcoBoost gasoline engine with 125 horsepower. EcoBoost engines are known for their combination of power and fuel efficiency. Active: This indicates the trim level of the Focus. "Active" represents a variant of the Focus lineup that features crossover-inspired design elements and slightly raised suspension for improved ground clearance. This trim is often associated with a more rugged appearance. 5dr: This stands for 5-door, indicating that it's a five-door hatchback model. This configuration provides practicality and versatility, with easy access to both the passenger cabin and the cargo area. Overall, the Ford Focus 1.0 EcoBoost 125 Active 5dr combines efficient performance, rugged styling, and practicality, making it an attractive choice for drivers seeking a versatile and capable compact car for everyday use
