

Volkswagen Golf 1.8 Clipper 2dr Auto | Oct 1989

AUTOMATIC, FULL LEATHER

1989 Volkswagen Golf Clipper. Low mileage with low ownership. Very rare with this specification. Automatic Gearbox with Power Steering, Full Black Leather interior and Electric roof. Original black leather interior is in excellent condition with no rips or tears. Recent Mohair roof replacement on a full functioning electric operating roof. Bodywork is in great condition with no dents and holding a great shine.

This car has had thousands spent over the years and it shows. It drives as it should with a good gear change through the auto gearbox. It has to be remembered this is a 35 year old car that presents very well but is not a 5 year old car. Overall, a very nice, drivable Mk1 Clipper to be ready to be improved and enjoyed.
