The Skoda ENYAQ 210kW 85 Edition 82kWh 5dr Auto, with its fully electric drivetrain, offers an efficient and smooth driving experience. Renowned for reliability, this vehicle is equipped with an automatic transmission, ensuring effortless journeys for any driver. The electric powertrain provides quiet operation and zero emissions, making it an excellent choice for environmentally conscious buyers. With a host of advanced features like Adaptive Cruise Control with traffic jam assist and Blind Spot Detection, this ENYAQ ensures a safe and stress-free drive. The sleek silver exterior of this ENYAQ is complemented by body colour bumpers, door mirrors, and handles, providing a cohesive and stylish look. Chrome roof rails and side window surrounds add a touch of sophistication, while the radiator grille in matt black with chrome surround enhances its modern appeal. The full LED Matrix beam headlights with variable light distribution and dynamic headlight range control with cornering light function ensure excellent visibility and a commanding presence on the road. Inside, the ENYAQ boasts a spacious and well-appointed interior, featuring a 13" touchscreen display, a digital cockpit, and a three-zone climate control system for maximum comfort. The vehicle comes with heated front seats and a leather multi-function steering wheel, making every drive enjoyable. Advanced safety features include ESC, front and rear airbags, power child locks, and a tyre pressure monitor, ensuring peace of mind for both driver and passengers. Additionally, the Skoda Connect iV remote services provide seamless integration with charging, air conditioning, and smart schedules, enhancing the overall driving experience.
