The Hyundai KONA 160kW N Line 65kWh 5dr Auto is a compelling choice for those seeking an electric vehicle with a balance of performance and style. Powered by an electric motor, this model offers a seamless driving experience with the convenience of an automatic transmission. Its reputation for efficiency and innovation is enhanced by features such as a frunk for under-bonnet storage and a heat pump system for efficient climate management, making every journey comfortable and eco-friendly. Aesthetically, the Hyundai KONA stands out with its striking blue paint colour, complemented by N Line exterior styling. The sleek lines are accentuated by body-coloured wheel arch inserts and door handles, while gloss black door mirrors and a rear roof spoiler with an integrated LED brake light add to its dynamic presence. The vehicle's sophisticated design is further enhanced with LED daytime running lights, privacy glass, and solar glass, providing a premium look and feel. Inside, the vehicle boasts an array of advanced features designed for comfort and convenience. The N Line cloth upholstery and ambient lighting create a refined atmosphere, while heated front and rear seats, a heated steering wheel, and a dual-zone climate control system ensure comfort in any weather. The technology suite includes a 12. 3" touchscreen centre console display with satellite navigation, Bluetooth connectivity, and wireless smartphone integration for Apple CarPlay and Android Auto. Safety is paramount, with forward collision avoidance assist, lane keep assist, and smart cruise control with stop and go functionality, making the Hyundai KONA a reliable and secure option for modern driving.
