The MG MG4 150kW Trophy EV Long Range 64kWh 5dr Auto is a compelling choice for those seeking a practical and efficient electric vehicle. With its impressive electric powertrain, this model ensures a smooth and quiet driving experience. The 5-door configuration offers easy access, and the automatic transmission simplifies urban manoeuvring, making it a versatile option for both city and motorway journeys. The vehicle's performance is further enhanced by the inclusion of features such as a 360-degree parking camera and adaptive cruise control, providing added convenience and safety. In terms of aesthetics, this MG4 is finished in a sleek black paint colour, complemented by stylish silver side mouldings and a black rear bumper moulding. The vehicle's modern look is accentuated by the integrated LED daytime running lights and projector LED headlights with reflective technology. The twin aero rear spoiler and rear privacy glass not only enhance the car's appearance but also contribute to its aerodynamic efficiency. Practical elements such as the rain-sensing wipers and electrically adjustable power folding heated black door mirrors ensure that you are prepared for all weather conditions. Inside the MG4, the focus on comfort and technology is evident. The interior features leather style upholstery with cloth inserts, heated front seats, and a heated steering wheel, ensuring a comfortable ride regardless of the weather. The 10.25" floating colour touchscreen, along with Android Auto and Apple CarPlay, provides seamless connectivity and entertainment options. Safety is paramount, with advanced systems such as active emergency braking with pedestrian and bicycle detection, blind spot detection, and rear cross-traffic alert. The vehicle also
