# £17,995

This fixed bed caravan has a front sun roof and a large roof light, creating a bright interior. The long front seats make up into a generous double bed. Both the furniture and the soft furnishings are in immaculate condition. The overhead locker doors are in a wood finish with a cream contrast and a metal trim, and the eye-level cupboards and cutlery drawer in the kitchen are cream to match the bench tops. The fully-equipped central kitchen includes a built-in microwave, a full cooker with a dual fuel hob, a 3-way fridge freezer, a large stainless steel sink with a glass cover and a removable drainer, and ample worktop and storage. A fixed island bed to the rear has a wardrobe and a window to each side and a roof light above. Further storage is supplied by overhead lockers and underbed space. Forward of the bedroom, the bathroom extends across the width of the caravan, with sliding doors at both sides closing off the bedroom. A shower cubicle sits on the nearside, with a swivel cassette toilet to the offside, a wash basin at the centre, a side window above the toilet, and a central roof light. A solid door divides the bathroom from the living space. Both space heating and hot water are supplied by a Truma system, on either gas or mains electricity. External gas and electrical outlets.
