

MINI Hatch 1.5 Cooper 5dr | 2016

£7,995

With only two previous owners and low mileage for its year, this 2016 MINI Hatch Cooper is a great find. The Cooper trim comes with a 1.5L petrol engine and meets Euro 6 emission standards. It's also equipped with the 7KN PEPPER Pack, which includes climate control and automatic headlights. The multifunction controls on the sports leather steering wheel add a touch of sporty convenience, while the 16in alloy wheels - Loop Spoke in Silver enhance the car's aesthetic appeal. This MINI Hatch Cooper stands out with its impressive fuel economy of up to 60 mpg, meaning fewer trips to the petrol station. The low CO2 emissions are another advantage, making it a more environmentally conscious choice. Furthermore, acceleration from 0-62mph in just 8.2 seconds ensures a responsive and engaging driving experience
