With only 50 miles on the clock and only one previous owner, this 2025 Citroen Relay is practically brand new. This particular model is the BlueHDi 35 Enterprise L2 H2 Euro 6 (s/s) 5dr variant, complete with the Enterprise trim and a robust 2.2L diesel engine, compliant with Euro 6 emission standards. The vehicle comes with a reassuring 24-month warranty, offering peace of mind from the moment you drive away. It's also equipped with several features designed to enhance your driving experience, including a rearview camera with dynamic gridlines, rear parking sensors, and a user-friendly 5in colour touchscreen with DAB radio, Bluetooth connectivity, a USB socket, and steering wheel-mounted controls. The manual air conditioning ensures a comfortable environment within the cab, including the glovebox.

This Citroen Relay stands out with its impressive fuel economy of 44 mpg, meaning fewer trips to the pump and more savings on your journeys. The vehicle also benefits from a low insurance group, making it an affordable option to keep on the road. This Relay combines practicality with modern features, making it a smart choice for businesses and individuals alike.
